PROFESSIONAL SUMMARY

Results-driven full-stack developer with a Bachelor's Degree in Computer Engineering and nearly 3.5 years of experience. Proficient in **Python**, **Golang**, **Linux**, and **Docker**, with a deep understanding of the Software Development Lifecycle. Skilled in frontend technologies like **NextJS**, adept at collaborating with cross-functional teams to deliver end-to-end solutions from concept to deployment. Recognized for problem-solving abilities, clean code practices, and effective team collaboration.

KEY SKILLS

- Full-Stack Development: Python, Golang, JavaScript
- Backend Development: Django, Gin
- Frontend Development: React, NextJS
- DevOps: Docker, Linux, Deployment Processes
- Problem-Solving | Cross-Functional Team Collaboration | Design Patterns | Clean Code and Testing

PROFESSIONAL EXPERIENCE

Software Engineer

2022 - Present

Readytowork Corporation

- Led design and implementation of scalable system architectures, ensuring reliability and efficiency.
- Utilized Docker for containerization, streamlining development, and deployment processes, and reducing overhead and dependencies.
- Collaborated with cross-functional teams to add features, resolve bugs, and enhance applications.
- Managed both frontend and backend aspects of projects, delivering comprehensive solutions.

Associate Developer

2021 - 2022

Beta Analytics Pvt. Ltd.

- Led redesign of the OpenedX system, resulting in improved performance and usability.
- Acquired expertise in Docker, Linux, and Nginx web server configuration.
- Developed a comprehensive system for Python programming courses, focusing on user-friendly interfaces and robust backend functionality.

Django Developer

2021-2021

Gaubesi Logistics Pvt. Ltd.

- Contributed to in-house projects, optimizing logistics operations.
- Acquired foundational knowledge of web development technologies, enhancing frontend functionality.

EDUCATION

Bachelor in Computer Engineering

2016 - 2020

Advanced College of Engineering and Management

AWARDS AND RECOGNITION

- ReadytoWork Silent Hero of the Month ([Dec 2023](#))
- Acclaim for multiple articles published on [Medium](#).
